Our pub has a long and colourful history dating back to when it was built in 1926. The public bar at the front formed part of the original building, while the large bistro space was added in 2004 which was a part of major works to the building. The bistro has since been renovated and reopened in December 2012. The pub has a string of licensees, most notably is Mrs. M.N. 'Millie' Sheehan who was licensee for a long 33 years from 1946-79. Queensland and Australian Rugby League representative Chris 'Choppy' Close also owned the pub for a period of time after the conclusion of his decorated playing career.
